THE DRAFT.

The Draft to Take Place on the 10th November.

THE NUMBER OF MEN TO BE RAISED IN THIS CITY TO AVOID A DRAFT.

WHO ARE EXEMPT UNDER THE LATEST ORDER.

It is now officially announced that a draft will take place in this State on the 10th of November. The deficiency of the State under both calls cannot be ascertained; it is believed to be 35,000 men. Adjutant-General Anthon will have general superintendence of the draft in this county, aided by the following commissioners:

Samuel Garrison,	George Hall,
Harmanus B. Duryea,	Alfred M. Wood,
Jesse C. Smith,	Howard C. Gady,
Henry C. Murphy,	Alexander McCue,
Philip S. Crooke,	Joshua M. Van Cott,
James Humphrey,	William J. Cropsey,
Bernard Casserley,	William T. Peet,
John A. Hardenbrook.	

Under the order issued by the Governor, General Anthon will provide a proper place for the transaction of the business devolving upon those gentlemen. Their duties are to administer oaths or affirmation, and to hear and determine upon the claims of persons desiring exemption. The following surgeons have been appointed for this county. Certificates of exemption for disability will be valid when given by them:—

Jos. C. Hutchinson,	George Cochran,
Theo. L. Mason,	Jno. Ordronaux,
James M. Minor,	De Witt C. Enos,
Daniel Ayres,	Daniel E. Kissam,
T. M. Ingraham,	Cornelius Oloott,
Jno. Byrne,	C. E. McLellan,
O. H. Smith,	C. L. Mitchell,
— Brady.	

Credit will be given to each county for the number of men enlisted since the 2d of July last. To that end the Senatorial District Committees are directed to send an alphabetical list of the men enlisted together with the regiment and company to which they are attached. The list will be made up to the 15th inst.

Credit will be given to the several counties for all the nine months' men enlisted "until otherwise ordered." Nine months will be added by companies to the infantry regiments now in the field, except a limited number which will be organized as riflemen or sharpshooters.

Five per cent will be added to the quota of each county to provide for any deficiency arising from desertions after enlistment, &c.

What is Required of Brooklyn.

We have it now within our power to estimate our liability under this order. The quota of the county under both calls is in round number 8,600. Add to this 5 per cent. and our entire quota will be about 9,030 men. We have paid through the Board of Supervisors 6,000 bounties, and under the order this will be taken as the number of men who have enlisted. Before bounties were offered by the county, it is estimated that 1,500 enlisted between the 2d of July and the time the county commenced to pay bounties. The 52d Regiment of militia have been accepted by the Government, as part of our quota. They number 500 men, and are working hard to enlist the full number. The record then will stand thus:—

Our quota under both calls.....	8,600
Five per cent. to cover desertions, &c.....	430
9,030	
Men enlisted without bounties, estimated....	1,500
Men enlisted to whom bounties were paid....	6,000
52d Regiment, nine months' volunteers.....	500
7,000	

Still to raise..... 2,030
If these figures be accurate we are rather worse off than we hoped for. Still we have time enough to raise the deficiency, but it will require a vigorous effort to do it, especially as the mind is now more

As I must leave New York in the course of next week, you will confer a special favor unto me if, on receipt of this, you will please forward the Passport to my Address Care of D. D. Mr Potter will undoubtedly have
requested you to give me a letter
to the Consul in Saxony, Germany
(at either Leipsick or Dresden, the latter
preferable) on account of my evading
Military Duty in Germany abt 12 years
ago, a letter that would make the Consul
feel enough interested in my matters

not be unnecessarily troubled or delayed.

think that this Government should protect
me. — I should feel under lasting

To Hon. W. A. Cass and Secy. etc.

Dear Sir: A question
of citizenship having arisen (which many of the
loyal patriots suffer on), I wish to obtain information
on the subject direct. I was born in Canada, city
of Toronto. My father was a naturalized citizen
previous to my birth, but moved to Canada and
there resided till death he died. In the fall
of 1860, I went to Mr. E. J. Trach, the then
county clerk, and told him I wished to take out
my first papers, I told to him that I come here
under the age of 18 and resided ever since
he told me that I was a citizen without any
papers and required none.

Since then I have been
informed by the present incumbent of that office
that it would be necessary for me to take out
papers. Will you please inform me?

and much of hope your humble and

Obedient Servant

Permit me to inclose herewith
the Certificate of Discharge from the service
of the United States of William C. Holitor
a native son of Prussia with the request that
you may be pleased to forward a passport
for him and sister to your address.
The list of S. S. is also inclosed herewith
and in description you will please
find annexed.

Mr. Holitor has lost his hearing

and speech by exposure and extreme
hardship, while on military duty, and it is
opined by several prominent physicians
of this city that he will recover by
visiting Europe and availing himself
of what medical and other facilities he
may find there. His condition renders it
indispensable that somebody should accompany
him. He was introduced to me by a respect-
able citizen of Cincinnati, who re-
sented to me that he, the latter, came to
this country when under the age of 18
years and that he was naturalized
in one of the eastern States, but lost
his certificate of naturalization. He
says he will get a passport, nevertheless,
because the fact that he has been in
the military service of the United States
or one year is said to entitle him to the citizenship

of the same.

Allow me to express the hope
that from the urgency of the case
you will be pleased to kindly over-
look the want of his certificate of
naturalization.

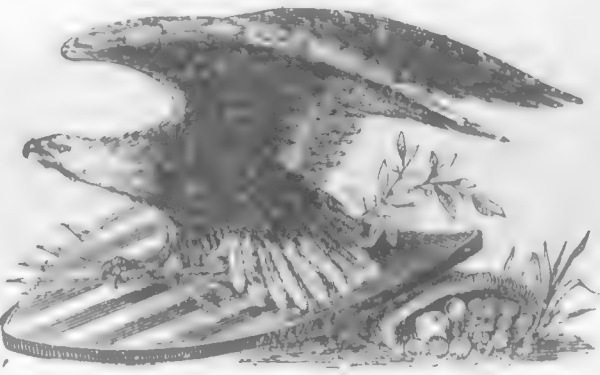

I have the honor to subscribe
myself

Believing you or your department to be the proper quarter to which may be addressed an application for a decided and reliable elucidation of a question of State in which I am interested, I hope it is not overstepping the bounds of propriety in submitting to you the following query to which the favour of an early reply is respectfully solicited.

I was a foreigner here but now a naturalized citizen of the United States, residing in this city; - I was yet a European subject & had a son whom I brought to this country a minor and who has now attained his majority; -

Does the fact of my naturalization, constitute him an American citizen entitling him to a vote, subjecting him to all the requirements pertaining to such a position or is it necessary for him to first procure a naturalization paper before he can be so entitled? - Hoping your kind indulgence for the liberty I take in addressing you, and hoping to receive a reply at your earliest leisure I am Dear Sir! with sentiments of high regard

den October 29^{ten} 1862.

To the Honorable
The Secretary of State
Washington D. C.

Dear Sir

I have the honor to acknowledge the receipt of your letter of the 24th instant with inclosures as stated.

William Molitor has succeeded in obtaining a certificate of naturalization which, however, we have to issue with his description and the U. S. air tax, and respectfully request, that you may be pleased to issue and forward to my address a passport for him, in which it is said but it is necessary issued by his sister. But if this cannot be done and if the sister must have a passport for herself, then you will be pleased to send a passport also for William Molitor himself.

H. F. K. dae.
Consul

The sister is an unmarried woman and is in the country at present. From what I understand, she has been in the United States over 5 years and hence I presume she can be naturalized. But if it should turn out that, for some reason or other, she could not and consequently could not get a passport, which would prevent her from accompanying her unfortunate brother, he would be compelled to stay here too, for it is absolutely impossible for him to travel alone and his friends would look upon this as another misfortune, as their aid is only given for the recovery of his speech and health. It is his wish to Europe.

In consideration of these circumstances, you would confer a great favor, by issuing a passport for both the brother and sister.

I could however the circumstances in the case not seem to justify the propriety of making an exception to the rules of the Department of State in behalf of these parties, I presume a permit which would entitle Miss Molitor to take passage in

New York or Europe would be sufficient,
and I would then beg leave to request, that
you may be pleased to send me or procure
such a permit for me if possible.

I have the honor to subscribe myself

Sir

Mr. Nathaniel Cury, of
this county, desires to go to Europe on busi-
ness, and wishes to know if it is necessary
for him to have a passport, — if so that it
may be sent to me. I am entirely unac-
quainted with the regulations of your Depart-
ment on this subject; but if a passport can be
given him without his personal application
at Washington's city, it would save him
trouble and expense.

He is 5 feet 10 inches high, light com-

He is Englishman by birth, but a naturalized

If a passport cannot be sent to me for

to be paid.

service in this County during the

It has occurred to me (without

If so, in your judgment, my letters

My dear Sir

My son, an intelligent young man
of 16, is obliged by weakness of his eyes
to resort to a sea voyage, and leaves
on Tuesday next for Rio and Buenos
Ayres. I do not know, whether
it would fall within your custom
or not, or whether I am at all particu-
lar in asking it, but if you could give
him notes of introduction to our Minis-
ters at those places, without its being a
lay on them, it might, by possibility, be of
service to him, and would satisfy his
mother and myself, that, at the end of
so long a voyage, and during his brief
residence in

a strange Country, he would not be
absolutely unknown.

Should my application be not

The undersigned forwarded on the 6th inst. Mr Carl Bergmann's application for a Passport. Said application was accompanied by Mr Bergmann's Citizen paper obtained at Boston, further the proper Oath of allegiance, the necessary bond descriptive list and money. Instead of receiving said passport notice came to hand, that the same could only be obtained from Mr Oscar Irving by presenting proper evidence of citizenship. Said evidence of citizenship

was duly forwarded and
has apparently been mislaid at
the Department.

The result of this was simply
that Mr Bergmann who is
Leader of the Italian Opera
Troupe that left to day for
Havana was compelled to stay
here, losing not only his passage
money, but moreover putting
himself and the whole Troupe
to the greatest inconvenience
and loss.

The undersigned respectfully
requests the immediate
transmission of Mr Berg-

The omission probably occurred by
my desire to omit the tax in cases of this

and they are actually sent away in their
health. In reflection I thought it best
not to trouble the Department with a proposal

Sir

On the 12th Inst.

I received a letter from your
Department stating in answer
to my application for a Pass
Port for Mr Kimmins - that
The Pass Port of Kimmins was
sent to Mr Grover No 24 1/2
Pine St where it would be de-
livered to me by producing
the exemption papers of
Mr Kimmins from Draft.
I was not aware that a per-
son coming from the State
of New Jersey was subject
to Draft and it was so de-
cided by his Hon' the General
The Judge Advocate at Washing-
ton on the 23rd of Sept 1862.
in his instructions to me.
I must confess that I was sur-
prised at the reception of this
letter and I am convinced
that the Department has
made some mostable return

To Mr Kimmins' Application
His affidavit will show that
he resides in Hackensack
New Jersey - and that state
having furnished its quota
of troops by volunteers.
I have endeavored to perform
strictly all the duties devolving
upon me as a Notary Public
and in all communications
connected with your
Department - I have been exceed-
ingly particular and punctu-

my duty. I will state therefore
that - I cannot consistently
with the dignity of my office
or my principles of right
and Justice call on Mr Havin
another Notary Public for this
Paper. I would respectfully
ask the Department to do me
the kindness to recall the
Paper sent to Mr Havin and
forward the same to me

of the right leg producing permanent
lameness render him unfit for
Military duty. Willson Hamersall

Statement of exemption from Military duty

I August Kampfenkel do make the following
statement of my right of exemption from Military duty
under the law to wit:

I have Chronic Rheumatism. I have been afflicted
with it for about four years. It first attacked me on
my return from California between four and five
years since. I was laid up with it several times
last winter. I was confined with it about six
weeks since for about one week. I was unable
to move at all. I have had my right leg put out
of joint at the knee and ankle. The bone of the
ankle was affected in such a way that my foot
broke and was matted for some time. This leg is
more affected with rheumatism than the other.
Travelling on foot makes me lame. I am confident
that I could not endure to perform Military duty.

My Dear Sir
The past since an

with an Affirmation by the
Applicant and myself setting
forth that he was and is an
Agent (residing in London) of
a well known house in New
York City having just returned
from Europe ^{about} four weeks since
in the Steam Ship Hansa
on a business visit, and wishing
to return by the Scotia which
left New York on Wednesday
the 19th returning to your
Department the Passport granted
by Hon Lewis Cass in 1860
Yesterday I was informed

by the U.S. Despatch Agent
that the new Passport had
been sent to him stating that
it was to be given up on
filing papers of Exemption.

I called upon Mr. Anthon
and stated the particulars
showing that the Applicant
could not by any possibility
be upon the Enrollment as
he had not been in the
United States for two and
a half years prior to his
return about the middle
of October 1862.

His reply was that the
various lists were sealed
and could not be examined
to ascertain as to his position
or whether he was enrolled
and could not give any
document which would

entitle him to get his
passport under your
instructions to the Despatch
Agent. As he sailed today
in the Scotia and wished
me to endeavor to obtain
his passport and send to him
by Mail may I request
of you an order to the Agent
of the Department here
to hand same to me?

Secretary of State Sir

Enclosed please find the affidavit of Davis Hatch who wishes a Pass Port to go to Cuba. The money three dollars enclosed to pay for same. I cannot understand or account for the loss of the affidavits of J Newland and C H Bap. They were both mailed with the money - and also the naturalization papers of Mr Newland. It is unfortunate they are lost. I can only attribute the loss to some mismanagement of the Post Office either in this City - or in Washington, knowing the promptness of the employees of your Department. I am thankful to you for the kind consideration evinced always to

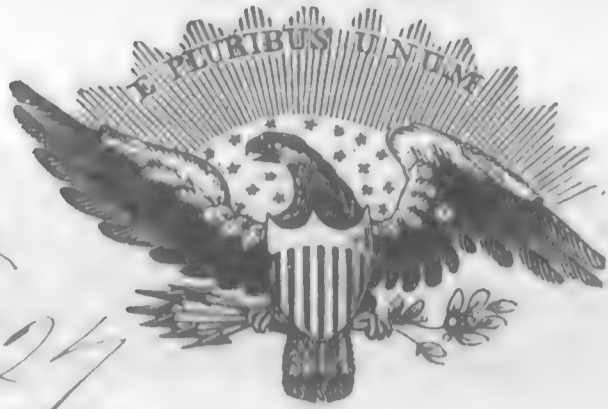

As soon as Mr Newland comes to the City - I will forward his affidavit.

Dear Sir

Our Mr. Henry Lewis

is in the habit of visiting Europe twice a year on business, he returned from there about three months since and left here on the S/S "Scotia" on the 19th inst - several days previous to his departure we called at the office of Supt^d Kennedy and were informed there that the same passport that he used on his last trip would be available for this - just previous to our Mr. H. L. leaving, in packing his papers, he found that he had mislaid his former passport and on the 18th inst we had the pleasure of sending to your department his certificate of citizenship asking for a new passport - on the 20th inst we received from the office of the U.S. Cons. Agency here a note stating that it would be necessary to procure a certificate of exemption - our Mr. H. Lewis is not exempt but we offered to give security that in the event of his being drafted he would either be forthcoming or we would procure a substitute - Mr. Irving the agent here states that it is necessary that that bond should be signed by the principal and also surety - the principal not being here of course this is impossible - we respectfully beg to ask you whether we can give two securities or whether the necessary forms of signing the Bond and filling in the description can be done at the office of the American Minister in London, an early reply directing us what course to pursue will oblige
